

ION POPESCU

Software Engineer

CONTACT

Email: ion.popescu@email.com

Location: Cluj-Napoca, Romania

PROFESSIONAL SUMMARY

Ambitious and results-driven Software Engineer with over 3 years of hands-on experience in designing, building, and maintaining robust web applications. Passionate about clean code, performance optimization, and automation.

TECHNICAL SKILLS

- Programming Languages: Python, JavaScript, SQL
- Frameworks & Libraries: FastAPI, Django, Flask
- DevOps & Tools: Docker, Git, PostgreSQL, Linux
- Software Architecture: REST APIs, Microservices

WORK EXPERIENCE

Senior Backend Developer | TechSolutions LLC

2022 - Present

- Designed and implemented high-performance backend microservices using Python and FastAPI, reducing API latency by 25%.
- Containerized the entire application ecosystem using Docker, streamlining local development and production deployments.
- Collaborated with cross-functional teams to build scalable RESTful architectures.

Junior Python Developer | SoftDev Factory

2021 - 2022

- Developed core application features using Python and Flask.
- Wrote clean, automated unit tests, increasing code coverage to 85%.

- Maintained relational databases and optimized complex SQL queries.

EDUCATION

Bachelor of Science in Computer Science

Technical University of Cluj-Napoca (2018 - 2021)
